

2021

During the last year and a half, I have missed being able to visit with friends and loved ones because of pandemic restrictions. Many people have been hesitant to allow visitors in their homes. Most hospitals and care facilities have not allowed visitors. With that in mind, I have been made more aware of our need for fellowship and quite concerned about the distance these restrictions have put between myself and some church members. I feel like many are out of touch with the church and I miss them dearly. As the post pandemic way of life begins to take shape, East End is getting back to our Father's business. We are striving to give every believer opportunity to carry out the Great Commission in their own lives and we are longing to see families changed by the great work that God is doing in our midst. Reaching, teaching, and ministering are mandated by scripture (Matthew 28:19-20). Using spiritual gifts in the church (1 Peter 4:10) and worshiping together are mandated by scripture (Hebrews 10:25). Peter teaches us to use our spiritual gifts to serve one another. The writer of Hebrews tells us to meet together for the purpose of encouraging one another. For those who are still out of touch, we want to serve you! We want to meet with you and encourage you! We want to see you carrying out the Great Commission! Because we love and miss you, we will continue to pray for you until we meet again!

For those who are simply unable to come to church for providential reasons, we understand. There is much uncertainty about who may or may not like a visit. I want you to know that I am available and willing to visit you wherever you may be. If you would like to see your pastor, just call. I will be glad to stop by. I cannot wait to hear from you!

June is set to be an exciting and busy month full of gospel ministry! I pray that each of you will join us in some way. Some will work. Others will pray. Based on God's word, what is He calling you to do? Find your place! Get involved! This is going to be a great summer!
